### **Tracy Bergland Joins State Bank of Belle Plaine**

Tracy Bergland recently joined State Bank of Belle Plaine as a Commercial Lender. Bergland has a strong background in business banking and lending. Most recently, Tracy was Vice President of Business Development for a Twin Cities Business Capital firm, in addition to her experience as a Business Banker for large Twin Cities area banks.

"We are very pleased to have Tracy join State Bank of Belle Plaine. She has a strong track record in the financial industry, with a focus on helping businesses with their borrowing needs. Tracy's experience in business and consumer lending will be a great complement to our Lending team," according to Mike Ludvik, Senior Lender.

Tracy grew up in Belle Plaine and resides here with her family. She is active in the community, volunteering with several local organizations, including Junior Achievement, Southern Valley Alliance, Habitat for Humanity, Make-a-Wish Foundation and several Chamber of Commerce organizations near Belle Plaine.

"The best part of my job as a Commercial Lender is getting to know area businesses and helping them grow. I'm here to provide the financial resources my customers need, and deliver a level of service that builds a strong relationship," commented Bergland. "It is great to work in my hometown and be part of a Bank that has served this community for over 130 years."
