

A Strong and Trusted Relationship Since 1974 – Overline & Sons, Inc.

"Paul and Bill Gatz may be owners of the Bank, but they are as genuine and real as they were when they were Junior Lenders. I've known Lorraine for so many years, too. I'm not just a number at State Bank of Belle Plaine, I'm somebody that matters."

business significantly over the years, and today, they serve clients all across the Twin Cities Metro area and beyond. Cleaning storm sewers and water treatment facilities, hydro-excitation, smoke and dye water testing, tv & video inspections – these are just a few of the extensive services that Overline & Sons, Inc. provide their customers. Their website states: "Overline & Son, Inc. is a family owned business ... that believes in making our clients a top priority and still doing things the old fashion way by providing quality customer service!" We share your commitment, Brian and appreciate your loyalty to our Bank!

Brian Overline grew up 2 blocks from the Bank, so it would seem natural that he would choose State Bank of Belle Plaine. But convenience is not the primary reason that Brian banked at State Bank of Belle Plaine for the past 50 years, for his personal and business needs. To hear Brian talk about it, it's all about the relationship. "I love the small town atmosphere at the Bank. I've known Paul Gatz since he started at the Bank, long before he was the Bank President. Bill Gatz is my Consumer Lender and I know I can call Bill anytime with a request, and he'll do his best for me. It's truly a partnership built on trust and solid reputation," said Brian.
